

# Warning the Bridge is Out!

Greetings,

Every year we hear on the news of people drowning in flood waters because they refuse to take the warning of “Turn Around - Don’t Drown”. These are not people who can not read or reason intelligently, they simply have convinced themselves that the sign “Danger flood waters ahead, turn around, don’t drown” applies to someone else and not themselves. They deceive themselves into believing a lie, which is what deception is, and they perish.

Now suppose we change this situation just a little. You are driving down the road and come to a sign that says, “**Water on road ahead, slow down**”, but when you get to the waters edge, you see that not only is the water on the road, but it is rushing deep and wide across the road. You look over to the person sitting in the car with you and ask “The information on the sign did say; ‘**Water on the road ahead, slow down**’, correct? They in turn respond, “**Yes! That’s correct**”. So, with the information that **you believe** to be correct, and by **not properly** discerning what is right in front of you, you **keep going in the same direction, not turning around**. After all, both of you ‘agree’ about this, so that has to be ‘confirmation’ **that it is alright to proceed ahead** in the same direction. As you proceed your car is swept away in the waters, and you realize your mistake, but unfortunately it was **too late**, and **both of you** perish! **The worst thing for you to know were those things that you thought you knew for sure!** It left no room for **correction**.

This is an exact picture of the majority of the world today as well as the modern church, **yes, I said the church**. This person was **given wrong information** that did contain some truth, but in turn, it caused them to **believe wrong**, which then created a **wrong decision**, and concluded with a **wrong result**. Multitudes upon multitudes of Pastors, leaders, and church members, are on the verge of being **left behind** in the rapture of the church, only to lose their soul and perish in the tribulation period, and are completely deceived to that fact, even though Bible prophecy shows, that exact picture of warning. They have been fed **wrong information**, causing them to **believe wrong**, leading to **wrong choices and decisions**, creating a **wrong result**. Even the most popular “Left Behind” series of books is riddled with deception. Those that will even acknowledge ‘a time of deception’, “acknowledge it for the church around the corner or those over there...But not me, I’m not deceived”. I have seen this in church, after church, after church, and Pastor, after Pastor, after Pastor, and person, after person, after person where the Lord has sent me, and yes, within **His Church**.

Before you throw this in the trash because I mentioned “the Church”, please don’t. I know many of you reading this have had some bad issues concerning **the Church** and I don’t blame you one bit. Even Jesus Christ Himself has issues with it. It’s completely “leavened” full of sin and corruptness. So don’t throw the baby out with the bath water. Read all of these **Words** contained therein, and let’s talk. I have nothing to ‘sell you’. You don’t need to “buy a book” or “CD” or pay money to “attended a conference”. It’s free, costing only your time to read it, unless you make copies yourself, to hand out to others, which you are free to do. I’m not starting “another Church” I am merely “speaking **ALL The Truth** to you in love”.

**1 Tim.2:7, Eph.4:14-15** - “For this I was appointed (placed) a Preacher and an Apostle (Prophet) I **speak the Truth in Christ** and **lie not**, and a teacher of the **True Faith to the Gentiles**.” .... “We are no longer **to be children** tossed here and there by waves, and carried about by **every wind of doctrine**, by the trickery of men, by craftiness in **deceitful scheming**; but speaking the **Truth in Love**, we are to **grow up!** in **all aspects!** into Him who is the Head, even Christ.” (look just like Him)

Did you know for a long time now, many signs have been put up, only to be ignored? Especially the sign of the “Shemita” what’s a Shemita you ask? I’ll get to that in a minute. First let’s look at its signs.

**1972-1973** -

- 1<sup>st</sup> major Wall St. crash since the great depression, losing 45% of its value.
- 1<sup>st</sup> oil/ Energy U.S. crisis
- Record setting Mississippi flood
- Abortion becomes “the law of the land” by the U.S. Supreme Court
- Vietnam War pull out, 55,000 dead, unknown amount died later from cancer & blood diseases from ‘Agent Orange’.

### 1979-1980 –

- 2<sup>nd</sup> oil/energy crisis, far worse than the first
- 1980 began a 2yr drought and heat wave with 10,000 + deaths
- May 18, 1980, Mt. St. Helene blows with a 24 megaton blast. 1600 times that of the bomb dropped on Hiroshima, spewing a total of 540 million tons of ash out in nine hours; Yakima Washington, almost 100 miles away was in complete darkness with 5 inches of ash on the ground within 1 ½ hrs. Within 2 weeks the ash had circled the globe. The sky even grayed here in Tennessee.
- 1980 began an interest rate and unemployment explosion, topping out in 1981, with 21 ½% Prime Rate with 11% Unemployment Rate.

### 1986 – 1987 -

- 1986 began a 3 yr. drought – costliest U.S. disaster to date with near 10,000 heat related deaths.

### 1993 – 1994-

- Spring 1993 “Storm of the Century” Here in Tennessee “Blizzard of ‘93
- Summer 1993 New record setting Mississippi Flood, burying prime farm land under 8 ft. of silt.

### 2000 – 2001-

- Began western drought, still going on today. Also 7 million acres burned that year and extreme drought extending into 30 states by the end of 2002.
- Who cannot remember 9/11; the Wall St. crash and economic upheaval caused by it.

### 2007 – 2008-

- 2008 greatest stock market crash since the Depression, housing, unemployment, oil, on and on, you can make a list!
- Deadliest year in past decade for tornado deaths.
- Not to mention those things that came after in 2010 & 2011, largest outbreak of tornadoes in recorded history, in 21 states, worse Mississippi flooding in 40yrs. 2012 – 71% of U.S. declared disaster area due to drought, 9 million acres burned out west, 1 ½ times the 10 yr average. Instead of the Mississippi flooding, it dries up, stopping commerce. 2013 – California Rim fire burns over 400sq.miles and too many other things to comment on. Not to mention the meteor exploding over Russia.

### 2014-2015 – Through March already – 11 declarations, and coming into the next Shemita year that begins Oct.4<sup>th</sup>, 2014

**April 15, 2014** –1<sup>st</sup> Total **Lunar** Eclipse or what is called a Blood Moon, because its appearance is reddish

**Oct. 8, 2014** – 2<sup>nd</sup> Total **Lunar** Eclipse or Blood Moon

**Mar. 20, 2015** – Total **Solar** Eclipse – Sun darkened

**Apr. 4, 2015** – 3<sup>rd</sup>. Total **Lunar** Eclipse or Blood Moon

**Sept 13, 2015** – Partial **Solar** Eclipse – Partial darkness

**Sept. 28, 2015** – 4<sup>th</sup> Total **Lunar** Eclipse or Blood Moon

*Why is this so important?* Because this succession of eclipses will not occur again in this century.

*Why is that important?* I’ll get back to that shortly. First, back to the “Shemita” year. As you can see, the Shemita year comes around every seven years. It begins in the fall of one year and concludes in the fall of the next year. A person would have to be completely brain dead or totally self-deceived not to recognize the progression of these disastrous events since 1973 when it became OK to pour out the blood of unborn babies into the streets of America. A new study recently showed, based on the medical records of 15,000 women in a Los Angeles clinic that almost 99% of the women went ahead with the abortion even after **voluntarily seeing** the ultra sound images of her baby within her. A nation, a state, a city, a town, a neighborhood, a person, who forgets God is “turned into hell” – before and after death. Shemita is the Hebrew word for “release”. It was designed by God to be a time of extreme blessing, however, if **His Laws** where ignored and refused, then instead of the judgment of blessing came the judgment of cursing. These can be found in the Bible – **Deut. 28 and Lev. 26**. The same progression I show you here is the same there. Regardless of your belief system, those are the irrefutable facts. It is what it is. **What will this next Shemita year begin to usher in?**

**Lev. 26:24-26** – “If in spite of these things you do not accept My correction but continue to be **contrary** toward Me I Myself will be **contrary** toward you and will afflict you for your sins **seven times** over. And I will bring a sword upon you to avenge the breaking of the covenant (His Word – Bible). When you withdraw into your cities (trying to escape

the sword) I will send a pestilence among you, and you will be given into enemy hands. I will cut off your supply of bread (food shortage) and it will be doled out in **rationed amounts**.”

The Hebrew word for **contrary** means – ‘hostile encounter or with hostility’

Hostile or hostility is defined as – ‘intense aggression or feeling’; or ‘strong opposition’

So with the same opposition that we put forth in not obeying the Laws of God, we reap what we sow, He opposes us likewise. **He personally sees to it because He takes it personally**. Has America truly turned from Almighty God? “If God be for you who can be against you”, if God is against you, who is going to be for you?

**George Washington April 30, 1789** – (in his inaugural address) “The propitious smiles of heaven (blessings) can never be expected on a nation that disregards (disobey’s) the **eternal** rules of order and right (God’s Moral Laws) which Heaven itself has ordained.”

**Abraham Lincoln Mar. 4, 1865** – (in his 2<sup>nd</sup> inaugural address) “The Almighty has His own purposes... fondly do we hope, fervently do we pray, that this mighty scourge of war may speedily pass away. Yet if God wills that it continue until all the wealth piled by the bondsman’s two hundred and fifty years of unrequited toil shall be sunk, and until every drop of blood drawn with the lash shall be paid by another drawn with the sword (reaping what is sown), as was said three thousand years ago, so still it must be said, that the **“judgments of the Lord are true and righteous altogether.”**

**Ps. 19:9**

Now compare that with President Obama’s words on Feb. 24, 2009 after the Wall St. crash and shortly after his inauguration, to the joint sessions of Congress; “The weight of this crisis will not determined the destiny of this nation... the **answers to our problems** don’t lie beyond our reach. They **exist in our** labs and universities; in **our** fields and factories; in the imagination of **our** entrepreneurs and the **pride** of the hardest working people on earth. **We will rebuild, we will recover**, and the United States of America will emerge **stronger** ‘than before’.”

This is modern language for **Isa.9:8-16** – “The Lord sent a Word unto Jacob and **all the people know it**... who say **in the pride and stoutness of heart**. The bricks have fallen down, but **we will rebuild** with hewn stones (better than before)... For the people **turned not** unto Him who smote them, neither do they seek the Lord of Hosts”.

So what’s ahead for the majority of this decade? Take everything you have seen since 2000-2001 and 2007-2008 and multiply x 7. “Therefore **the Lord will set up** the adversaries against him (those in covenant with Him that break His Laws) and join his enemies together... **they will devour** with open mouth. For all this His anger (not wrath) is **stretched out still**. For the leaders of this people **cause them to err** and they that are led of them **are destroyed**.” As long as we continue to “acknowledge **not** the One who smote us”, and label it as “Mother Nature”, “Global Warming”, “Normal Occurrences”, “The Government”, “Climate Change”, “Terrorists”, the list being endless, pointing to everything **but Him**, the words ‘we will rebuild’ and ‘it will be better than it was before’, will still ring out, “in pride and stoutness of heart”.

Let me give you an example of a people who have crossed a point of **No Return**. They are those in the 7 year Tribulation time. See if it sounds familiar.

**Rev.16:8** – “And the fourth Angel poured out his vial upon the sun, and power was given unto him to scorch men with fire, and men were scorched with great heat, and **blasphemed** the Name of God, **WHO HAS THE POWER OVER THESE PLAGUES**, and they **repented not** to give Him Glory.” Not to acknowledge **“the One who smote them”** is blasphemy, and it wasn’t **mother nature**, it was **“Father God”**.

**Rev. 16:10** – “And the fifth Angel poured out his vial... and they gnashed their tongues for pain and **blasphemed** the God of Heaven because of their pains and their sores, and **repented not** of their deeds.”

**Rev.16:21** – “And the seventh Angel poured out his vial into the air... and there fell upon men a great hail out of Heaven... and men **blasphemed** God because of the plague of the hail for the plague was exceedingly great.” We have had some “hail storm” issues in this country, but you haven’t seen anything yet.

In **Isa. 19:1-6, 14-16** – Egypt is the picture of a Dominant National Power. So America or Americans can be interjected in place of it because God is ‘not partial’ in His judgments. If after reading this and it does not move you to your knees in fearful, Godly sorrow, in repentance over our wicked condition, then you quite possibly are on the border of entering into a point of **No Return**. “The oracle (prediction) concerning Egypt (America). Behold **the Lord** is riding on a **swift** cloud, and is about **to come** to Egypt (America). The idols of Egypt (America) will tremble at His presence, and the heart of the Egyptians (Americans) will melt within them. So **I** (God)**will** stir up Egyptians (Americans) against Egyptians (Americans) brother will **fight against** brother, neighbor against neighbor, city against city, Kingdom against Kingdom. There the spirit of the Egyptians (Americans) will **be demoralized** within them. And **I will** confound (confuse) their strategy, so that they will resort to idols and spirits of the dead, to mediums and spiritists (fortune tellers). Moreover, **I will** deliver the Egyptians (Americans) into the hand of a **cruel master** and a mighty King will rule over them, **declares the Lord of Hosts**. And the waters will fail from the sea, (because in the tribulation period it will become totally polluted) and the river will be wasted and dried up. (catastrophic drought) The canals will stink, the

streams of Egypt (America) will be emptied and dried up... **The Lord** has mixed within her a spirit of distortion (confusion –error), they have led Egypt (America) astray **in all** that it does, as a drunken man staggers in his vomit. Neither can any work (done either singly, or by concerted action) accomplish anything for Egypt (America), whether by the head (leadership) or by the tail (people). In that day the Egyptians (Americans) will be like women, and they will tremble and be in dread **because of the waving of the hand of the Lord of Hosts**, which He **is going** to wave over them.”

Can you not “see this”, these “birth pains” getting more intense with each contraction (or with the passing of time)? Can you not see “The **One Who has Power** over these things?”

You might be asking yourself...Why would God purposely send a “Spirit of Confusion or Distortion” among people? I always thought of God as a ‘Good God ‘and a ‘Loving God’. That doesn’t sound like either one, you might be saying to yourself.

He is those things, but unfortunately in today’s messages, “His Judgments being **True** and **Righteous** altogether”, no one has a clue to what that means. The only part of Christ today that most know is from **the feet to the knee caps** (New Testament) they know basically nothing from the knee caps to the top of the head, which is Genesis – Malachi. The Church has thrown out the part of Christ’s Body that contains all the vital organs **for life**, including the reproductive parts. How are you going to reproduce life when what is necessary is no longer there?

You see the Hebrew Word for **Torah**, which is the first five books of the Bible, is made up of two Hebrew words; one that means “teaching unto life or law” and the other means “to aim and hit the mark as an archer”. The Greek (Greek is what the New Testament was written in) word to ‘sin’ means ‘to miss the mark’.

So... if you remove all the vital organs of a person, all you have left is ‘the walking dead’. Now isn’t it interesting that a new TV program called “The Walking Dead” is a smash hit today, Why?, because there is always a spiritual connection to those things being manifested in the natural.

Spiritual leaders today stay away from the teachings that come from the knee caps to the head because to go there; and to all the books of the Prophets, they would have to deal with the complete and whole picture of a True and Righteous Holy God. So they are content to carve a ‘graven image’ out in the form of a god they desire to serve, which is not the True God of the Bible. It’s “another Gospel” it’s a “Doctrine of Demons”.

So here is the truth about the above matter found in **Ezk.14:1-11** – “Some of **the elders of Israel** came to me (Ezekiel) and sat down in front of me. Then the Word of the Lord came to me; Son of man (Ezekiel), these men have set up **idols in their hearts** and put wicked stumbling blocks before their faces. Should I (God) let them inquire of Me at all?”

Let me stop here and clarify what you are about to read. When anyone has an “idol in their heart” (and that can be a ‘good work’, or carry a number of different labels, it’s something the individual esteems for themselves, it’s not what God esteems for them or wants them to do or be) God expects the spiritual leader, and or prophet to discern and address that issue of the idol; not to cultivate and feed that idol in their heart by decreeing “Peace and Blessing” in the midst of sin and disobedience. We will see here in just a minute that **if** the spiritual leader and or prophet does not discern and address that idol, and the individual being spoken to likewise, then God will send a spirit of delusion and deception to both, that they will reap what they sowed and perish.

This should put the “Fear of God” into 100% of all who read it. But sadly, it won’t. It will just be snuffed at, instead of **repented** of.

“Therefore speak to them and tell them, this is what the **Sovereign Lord** says; when an Israelite (or one in covenant with God) sets up idols in his heart and puts a wicked stumbling block before his face and then goes to a prophet (and or spiritual leader), I the Lord will answer him **Myself** in keeping with his great idolatry (sowing / reaping). I will do this to recapture the hearts of the people of Israel, who have deserted Me for their idols. Therefore say to the house of Israel, this is what the **Sovereign Lord** says; **Repent!** ...turn from your idols and **renounce all** your detestable practices (what does all leave out?). When any **Israelite** or the **stranger** (Gentile – that’s us) separates himself from **Me** and sets up idols in his heart and puts a wicked stumbling block before his face, and then goes to a prophet (and or spiritual leader) to inquire of Me, I the Lord **will answer him Myself** (God’s not partial, Jew or Gentile). I will set **My face against that man** and make him an example and a byword (Judgment **delayed**, is not Judgment **denied**). **I will** cut him off from **My people**. Then you will know that I am the Lord. And if the prophet (and or spiritual leader) be deceived when he has spoken a thing I the Lord have deceived that prophet (and or spiritual leader) and I will stretch out **My hand** against him and destroy him from among My people Israel. They will be as guilty as the one who consults him. Then the people of Israel will no longer stray from Me (after Judgment), nor will they defile themselves any more with all their sins. They will be My people, and I will be their God, declares the Sovereign Lord.” Again leaders are to address the idols; not pet and pamper them.

All that you have been seeing; be it weather related event, the dysfunction of American and or World Government and or it's citizens, the economy, etc, **is not**..I repeat...**is not** going to get better. It will "wax worse and worse". All you can do is **save your own house** from being broken up (get on the Ark). – **TURN, REPENT** (change your mind) **NOW, TODAY!**

**Joel 1:2-3** – "Hear you **old men** and give ear, **all you inhabitants** of the land (America), has this been in your days or even in the days of your fathers? (This magnitude of destruction) **Tell your children** of it, and let **your children tell their children**." **Joel 3:19** – "Egypt (America) **will become a desolation**...because they have shed innocent blood (abortion) in their land."

In other words following the majority of American 'leadership' and or the majority of the Modern Church 'leadership', your out come will be destruction. "**Warning the bridge is out!**"

The only 7 year period that will be worse than the one coming, will be **2021- 2028** – the 7 year tribulation period.

Let me stop here before you Pharisees out there start beating your drum about me being a false prophet/ teacher saying, "That no man knows the hour or the day of the Rapture, or Christ's 2<sup>nd</sup> coming", because that's what the Bible says." Let me correct **your own** "error and **not knowing** the scriptures, nor the Power of God".

The Bible makes it **very clear** that, "that day" will be as the days of Noah and of Lot. Noah knew **exactly** the day the rain would start (the 24hr. period, but not the exact hour) **Gen.7:1,5** – "And the Lord said to Noah, come you and all your house, into the Ark...for in **seven days**, and I will cause it to rain on the earth forty days and forty nights". Does that mean Noah was **clueless** about the hour and day? NO! He knew the **exact day** (24hr.) but not the hour within the 24hours. Let me say something about the #7, this Biblical # is a # for completeness. There was as appointed time for man to repent and turn in Noah's day.

Just as it is for us today. The day set before the foundations of the earth for this Church Age we are in right now has a specific- completed date. When we reach it at the appointed year, at the Feast of Trumpets, the Seven Church Ages will close, and the Rapture of the 'ready Saints' will occur – ready or not.

And Lot, was he **clueless**? **Gen.19:22** – "Make haste; escape quickly, for I cannot do anything until you come out of Sodom". Was Lot unaware of the day he went out of Sodom? **Seriously? NO!** He also knew the **exact day**, just not the hour within the 24 hours that the fire and brimstone would begin.

So also it will be for 'The Rapture' – 'The Feast of Trumpets', an **exact day** (24 hrs.), at an **exact** season. You see, The Feast of Trumpets **begins at sunset** (not midnight) on one day (**which is God's time-table for all ages**), going 24 hrs to sunset of the next day – **Two days** per say, but within a 24hr. period. Do you now have understanding about – "No man knows the hour or day"? If you have no understanding of this – **WE NEED TO TALK – NOW!**

I hope you are seeing what I am saying, if not then let's go to the "**signs**" of the sun and moon eclipses. First they don't just come at any old random time. They fall on "**The Lord's Appointed Feast Days**"

**April 15, 2014** – First day of the Feast of Passover - a Sabbath Day - (Lev. 23) (blood moon)

**Oct. 8, 2014** – First day of the Feast of Booths or Tabernacles – a Sabbath Day - (blood moon)

**Mar. 20, 2015** – 2wks prior to Passover (sun darkened)

**April 4, 2015** – First day of Passover- a Sabbath Day - (blood moon)

**Sept. 13, 2015** – Feast of Trumpets – a Sabbath Day - (sun darkened)

**Sept. 28, 2015** – First day of Tabernacles- a Sabbath Day-(blood moon)

**Gen. 1:14** – "And God said let there be lights in the firmament of the heaven to (1) divide the day from the night, and; (2) let those be for **signs**; and for (3) **seasons** and; (4) for **days**; and for (5) **years**."

5 by the way is the biblical number for **GRACE** – which is Power and Revelation – God is revealing something here. The Hebrew word for "**sign**" means also a "**signal or token**"

The Hebrew word for "**seasons**" also means "**appointed time or assembly**"

**Joel 2:31** – "The sun **will be** turned into darkness and the moon to blood **before the coming** of the great and dreadful Day of the Lord."

**Luke 21:25,28** – “And there **will be signs** in the sun, moon and stars and upon the earth distress of nations, with **perplexity** (no solutions)...and when these things **begin to take place**, stand up and lift your heads, because your redemption is drawing near.”

Father God will soon send all mankind a succession of heavenly billboards beginning at Passover this year, going through Tabernacles 2015. This will be only the fourth time in the last 522 years this has happened. Each time this occurred, there was a time of tears and sorrow, followed by a time of rejoicing. For this generation the time of tears & sorrow will be the shaking that's coming followed by the Rapture of the Church – Rejoicing. Bottom line – Jesus Christ is coming soon, **very soon!**

If your decision becomes like the one in the story at the beginning of this document, **you will soon** recognize your mistake, but it will be too late. You are going to perish – forever!

*How important to you, is the knowing and **keeping of these**, the Lord's Appointed Feast Days? (Lev. 23)*

Jesus Christ's **death, burial, resurrection**, was **exactly** on the Feast of (1) **Passover** – (2) **Unleavened Bread** – (3) **First Fruits**, an eight day feast; then **Exactly** 50 days later on - (4) **The Feast of Pentecost** the Holy Spirit was given.

That's 4 out of 7 **exactly** fulfilled, on an **exact** day in an **exact** season. (Appointed Time)

That leaves us with the (5) **The Feast of Trumpets** – a one day Feast **which will be the Rapture**, the “meeting in the air”, “the catching away”. (6) The **Feast of Atonement** – a one day Feast which will be **Christ's literal return** setting foot on the earth and the nation of Israel's Atonement, (7) **The Feast of Tabernacles** – An **eight day** feast (8 being the Biblical number of new beginnings) in which Christ will set up His earthly Kingdom of His 1000 yr. reign. Those who come to Christ, have a new beginning (8 days- Passover) remaining faithful to Christ until the end, you also have a new beginning (8 Days) in the Kingdom Age, Tabernacles fulfilled. He is “the beginning, and the end”. Even a pagan gambler wouldn't ignore these odds, yet the Modern Church, with the rest of the world, is doing just that!

**Lev.23:41** – “And you will keep it **a Feast unto the Lord**” (UNTO **WHO** Christian?!!) “It will be a statute **forever** in your generations, you **will celebrate** (Hold a festival)”. For HOW **long** Christian?

Now concerning the #5 **Feast of Trumpets** – The Rapture- the snatching away

“**Mt.16:3** – “...O you hypocrites, you can discern the face of the sky, but can you not discern the **signs** (plural) of the **times** (seasons at hand).” This was a strong rebuke from Christ to **the religious leaders** of His day. Not much has changed, except today's leaders have an even greater blindness to the truth. These religious leaders should have recognized **the signs** all around at Christ's first appearance in order to discern His appearing. Same goes for you today.

**Joel 2:1-2** – “Blow the trumpet...sound the alarm...let all who live in the land tremble, for the Day of the Lord **is coming**. **It is close at hand** – a day of darkness and gloom, clouds and blackness...such as never was of old, nor ever will be in ages to come.”

As you can see from the “Disaster Declaration Sheets” since 1972-1973 “Shemita” year until the current “Shemita” year beginning Oct. 2014 these Bible declarations of judgment have become absolutely manifested and are truth.

*Again, what's a Shemita year?* It's a Hebrew word that means “**Release**”. It was intended to be a blessing from God. But if His people began to break God's Laws, it became a judgment of curses. Previous blessings are withdrawn. **Deut. 28:63** – “And it **will come about** that as the Lord **delighted** over you to prosper you, and multiply you, so the Lord will **delight** over you to destroy you and bring you to nothing...” Translation ...the Lord God Almighty takes pleasure in stamping out evil. Even if that evil is found in one of His own who refuses to turn from it. – Solomon is a sobering example of this. You will not find his name written in the Chapter of Faith in Hebrews 11, David's name is there, but not Solomon's. Samson's is there, because he repented of his wrong doing.

We will soon be entering into the last seven year period before the Rapture, and Almighty God will be attempting a last effort to call back the backslidden to a Holy life before it is too late. “For **without Holiness no man** will see the Lord” **Heb. 12:1-17**

You may be asking how I can say it's the last 7 year period. Because in Ancient Israel Judah's first great initial invasion (Loud wake up call) came by the Babylonians (their enemies) in 605 B.C, this was a limited strike held back by the Hand of God only.

Nineteen years later-586 B.C.- they would return and completely destroy everything including, the Temple of God, because they (God's people) **refused to turn** from their **wickedness** (That which is disagreeable to God). And who is the Temple of God today? Believers are, and Judgment always returns to the ground of consecration, so on Sept. 11, 2001 from the same land as the ancient Babylonians; comes an attack on U.S. soil. Limited and held back by the Hand of God only. It took place at America's first capital city – New York – There was no Washington D.C. at the time of our first President. America's consecration ground was New York City. **Ecc.1:9-10** – “The thing that has been, it is that which will be, and that which is done, is that which will be done, and there is no new thing under the sun. Is there anything that it may be said, ‘See, this is new?’ it has been already of old time which was before us.” This very simply says, ‘What God has done (past) is what God will do (future) and that without exception’.

Now let me give you the exact description of those people. Not from a news clip about 9/11, but from God's Word. **Habbakkuk 1:5-11** – “Look at the nations and watch, and be utterly amazed, for **I am going to do** something in your days that you would not believe, even if you were told. I am raising up the Babylonians, a ruthless and impetuous people, who sweep across the whole earth to seize dwelling places not their own. They are a feared and dreaded people (terrorists) they are a law to themselves and promote their own honor, they're swifter than leopards, fiercer than wolves, they come from afar, flying like a vulture swooping to devour. They all come bent on violence. They **mock at kings** and **scoff at rulers**. They laugh at all fortified cities, they sweep past like the wind and go on – guilty men, whose own strength is their god.

**O Lord, You have appointed them to execute judgment.** O Rock (Jesus Christ), You have established them for **correction**. (Who did this?)” God's intent is always first, redemption; mercy before destruction, always.

***The Word of the Lord stands and “it cannot be broken”. Jn. 10:35***

So nineteen years later puts us at 2020. The Anti-Christ has to sign his 7 year peace treaty with Israel at Atonement 2021. *Why?* Because Christ's 2<sup>nd</sup> coming (not the rapture) will be at Atonement 2028.

*Why 2028?* The year 2028-2029 will be the **12<sup>th</sup> Shemita** year since Israel became a nation. 12 is the biblical number for government. 2028 is also the next Jubilee year in Israel to which Christ is the fulfillment of. Christ will begin His 1000 year reign at this time on earth. “The government will be upon His shoulders” **Isa. 9:6** Christ is the fulfillment of **all** the Feasts including the Jubilee Year. Read **Lk.4:15-21, Isa.61, Lev.25:8-13** Christ began His public ministry on the first Sabbath of the year of Jubilee in His day. An exact time and season!

**We have a choice before us.**

**Lev.26:40-42** – **If** they will **confess** their iniquity (known willful sin) and the iniquity of their fathers (past leaders of our nation), with the sin **they sinned against Me**, and that they also have **walked contrary to Me**, and that **I** also have **walked contrary to them**, and have brought them into the land of their enemies (sickness, disease, an enemy can have many faces). If then their uncircumcised hearts be humbled, and they then **accept the punishment** (consequences) of their iniquity, **then** will **I** remember My Covenant...and remember the land.” (See also **2 Chron.7:14**)

**Col.3:25** – “For he who does wrong **will receive the consequences** of the wrong he has done (disobedience, knowingly) and that without partiality” (Judged according to the written Word; God is not partial)

**Confess, repent, acknowledge** the consequences as being “true and righteous altogether” accept the punishment **in humility**, and look unto the author and finisher of our faith Jesus Christ and **turn from all sin**, and then He will heal your land where **you dwell**. Even though “1000 fall to your left and 10,000 to your right” in the days ahead – you're protected.

However, with that said you may also need to be “faithful unto death” if the Lord wills it, **(Rev. 2:10, 6:9, 12:11)**

Don't deceive yourself into thinking America would never become a killing ground for Christians. It already has been and is waxing “worse and worse”. Do you remember the young girl at Columbine H.S. when asked by one of the shooters, “Do you renounce Jesus Christ?” and her reply was, “NO”, he shot and killed her. “Be faithful unto death.”

**Lk.18:8** – should be ringing loudly in the ears of every person on earth today... “When the Son of Man (Christ) comes (the Rapture), will He find Faith on the earth?” He never asks a question because He needs the answer, but to reveal something needed.

If you wanted to harvest a broccoli head, you would have to wait until the mature plant formed, then the head formation, and then the harvest of a mature head. **Rev. 6** is a picture of the harvest of (the mature head) **God's wrath** (not just His anger) being poured out on all ungodliness **including** those who know Him but refuse to obey Him, and they were left

behind at the Rapture to face **His wrath**. (Anger is what we have been seeing, **not Wrath**—man has not seen **His Wrath** for 2000yrs.since the Cross in A.D.33) These will be the “days of vengeance” **Lk.21:22**.

Beginning in Oct. 2014 at the Feast of Atonement will begin the **last Shemita year** before the rapture. This will be the **10<sup>th</sup> Shemita** since the rebirth of the nation of Israel. 10 is the biblical number for **proving**, or **testing**. Christ warned us that the **last days Church** would be full of leaven (sin). If you are following this leadership, you will perish as well. Jesus said, “**If you love Me, you will keep My Commandments.**” In other words, you will do what I say **as proof** of your **legitimate love for Me**. Your Honor of Me will be shown by what you obey, not what you say. **Do you know Christ? Are you in Christ? Is He in you?** Even Samson in **Judges 16:20** did not discern that the Lord **had departed** from him. “I will go out and shake myself **as other times** and he **knew not** that the Lord **had departed** from him”

All the demons in hell **know**, **acknowledge**, and **believe** that Jesus Christ is the Son of God. They **know**, **acknowledge**, and **believe** He died on a cross. They **know**, **acknowledge**, and **believe** He rose again on the third day. **So why are they in hell?**

NO LOVE = **NO OBEDIENCE** = NO FAITH ! Many of you right now are patting yourself on the back consoling yourself about how glad you are that you **really know** Jesus Christ and are headed to heaven. **NO you’re not**, unless your walk right now is the same as Christ’s, “Producing fruit in keeping with your repentance”. You have done nothing except listen to a religious system that has pumped you full of lies. All under the auspices of a type of ‘Grace that the Bible **does not** teach’

**Rev. 3:16** – “So then (church member) because you are **lukewarm** and neither cold nor hot, **I WILL** (God will) spew (vomit) you out of My (His) Mouth.” The lukewarm person doesn’t reject the “Laws of God” nor do they completely accept the “Laws of God”. They are **tepid**. Since the Church is made up of people, the individual that finds their self like this should be scared to death. They are on a very thin fence of finding **no place** for repentance and **no restoration**. **Rev. 3:17** – “Because you say, I am rich, and increased with goods, and have need of nothing (It’s just me and Jesus) and you **do not know** that you are wretched, miserable, poor, blind, and naked (because you have refused to cease from sin).”

**1 John 2:3-6** – “We **know** that we have come to **know** Him (Christ) **if** we obey **His Commandments**. The one who says, ‘**I know Him**’, but **does not Keep** His Commandments, is a liar and the Truth is not in him (self-deceived). But whosoever **KEEPS His Word**, in him **is the love of God perfected**. This is how we **know** we are **in Him** (Christ). The one, **who claims to live in Him** (Christ), **must walk** as He (Christ) walked.” **Knowing** about Christ and **Knowing Him** are **two** very different things.

**Is this you?** Most likely not. **Where does that leave you?**

**Mt. 7:21** – “Not everyone who says to Me, **Lord, Lord** will enter the Kingdom of Heaven, **but he who does** the will of My Father who is in Heaven.” A recent poll showed 92% of Americans today **believe in Heaven** and to most today sin is just a **little blunder**. Heaven is a **pure place** and not **one sin** will enter in. **Matt.5:8** – “Blessed are the **pure in heart** for they will see God.”

**Cafeteria Christianity** won’t get it done. ‘I like this, I’ll take that, no I don’t like that, it doesn’t sit well with me, and it gives me heartburn. It’s either **ALL of Him** or none of Him. The world and the Modern Church, who are married together, will tell you it’s **OK** to wander all over the place, however the truthful teaching of Grace, is that the Grace of Jesus Christ **saves and delivers** us **from sin**, it does not deliver us from our knowing and **continued** willfulness **in sin!** It covers our **ignorance only!** Jesus said in **Mk.12:34** – “...you are **not far** from the Kingdom of God.” Being close is not enough; sadly millions in the Modern Church are in this category.

In **Num. 15:16-31** – This is not Moses’ Law, it’s God’s Law, given to Moses. Notice how many times “ignorance” is referred to and “forgiven”. To begin with **Vs.16** – “**One** Law and **one** manner will be for you (Jew) and for the stranger (Gentile – that’s us)”. In other words there is not one standard set for the Jew and a different standard for the Gentile. **Vs.24** – “And **it will be if** any (sin) be committed by **ignorance**”, **Vs. 25** – “it will be forgiven”, **Vs.26** – “Seeing they were in **ignorance**”, **Vs.27** – “if any soul sin through **ignorance**”, **Vs.28** – “that sins **ignorantly** when he sins by **ignorance**, it will be forgiven him”, **Vs.29** –(repeated a 2<sup>nd</sup> time) “You will have **one Law** for him who sins through **ignorance** both for him who is born among the children of Israel (Jew) and for the stranger (Gentile) who lives among you”, (six times ignorance is referred to, 6 is the Biblical # for man). **Vs.30** – “**But**” – But in Hebrew is like a big fat zero – everything that was previously stated is canceled out. “But the soul that **does presumptuously** (knowingly willfully, defiantly) whether he is born in the land (Jew) or a stranger (Gentile,) **both reproaches** the Lord; and that soul **will be cut off** from among his (covenant) people. Because he has despised (rejected)the **Word of the Lord**, and has

broken His Commandment, that soul will be **utterly cut off** (loses his soul); his iniquity (the knowing, willful sin) will be on himself.” (“There no longer remains a sacrifice for sins”)

Now, since the **True Grace of God** brings Power over the sin nature, and revelation of truth that sets you free, let’s see how the New Testament discloses these passages.

**Heb.10:26-31** – “For if we sin **willfully** (presumptuously – Knowingly) after we have received the knowledge of The Truth (became saved-born again), there remains **no more sacrifice** for sins, but a certain fearful looking for the judgment and fiery indignation (wrath, hell) which will devour the adversaries. He who **despised** (willfully rejects, knowingly disobeyed) Moses’ Law (God’s Law before Grace) died **without mercy** under two or three witnesses, of **how much greater** punishment suppose you, will he be thought worthy who has **trodden under foot** (yes, believers, that’s speaking of you) the Son of God (Jesus Christ) and has regarded the Blood of the Covenant wherewith he **was sanctified**, an unholy thing, and has **done insult** unto the Spirit of Grace?” Why an insult to the Spirit of Grace? Because 2000 years ago Christ’s blood ran down a Cross, giving you **victory over** the ‘sin nature’ passed on to you from Adam. And with the giving of the Holy Spirit 50 days later He gave you **the Power to cease from sin. That’s GRACE the Power** to walk as Christ walked! Not this mealy mouth sloppy grace that preachers ooze from their mouths every Sunday...”Don’t worry your always going to sin, that’s why you need Jesus”. **WHAT AN INSULT TO THE SPIRIT OF GRACE! AND the VICTORY won at the CROSS!**  
**2Tim.3:5** – “Having **a form** of Godliness, but **denying the Power** thereof, **from such turn away.**”

We have a dog food bowl on our side porch at home to which crows are continually getting into. One day a light bulb came on in my head to ask the Lord if He was trying to show me something in the physical that had spiritual implications. Something like this is recorded all through scripture in talking to His very own. As you may or may not know, crows are flesh eaters. That’s why you see them on the road pecking on whatever dead carcasses are there. Here is what the Lord told me about the dog food. Our dog’s food bowl is always mixed with what we call ‘slop’ – food scraps from that day. And since a ready food supply (flesh) is always available in the bowl, the crows come to feed. We draw them there most every day. I shoot at them from time to time, and they let up for a while, but they **always return** back after a span of time. So...what is the spiritual implication to this event? It’s all about the **true message** of Grace, and the Power of the Victory won at the Cross, **to crucify the flesh** and cease from sin. All most in the Church today do, is peck at it like an ole crow instead of killing it. **Gal.5:24** – “And they **who are Christ’s HAVE** crucified (killed) the flesh with its affections and lusts (desires)” Up until the Cross of Christ – mankind had no power to defeat the sin nature, so God instituted a Blood Covering from animals, it only covered, it did not take away. This was to be until “the season” of Christ’s appearing and a “once and for all sacrifice”. This New Covenant **did not do away** with the ‘Moral Laws of God’. It did away with the inability of man to keep them in believing faith.

**Rev.12:11** – “And they (Saints) overcame him (Satan) by the Blood of the Lamb (Christ) and by the Word of their Testimony (True message of Grace) and they loved not their lives unto the death.”

**Heb.5:9** – “And being made perfect (Christ) became the **Author of Eternal Salvation** (the Promise), unto all **those who obey** Him.” (None of the promises of God are unconditional – None)

**2Peter 1:22** – “Seeing you have **purified your souls, in obeying the Truth** (How is your soul purified?), through the Spirit unto unfeigned (sincere) love of the Brethren, see that you love one another with a pure heart fervently.” Loving one another from a pure heart includes “speaking the absolute truth in love”.

**Col. 1:21-23** – “And although you were formally alienated and hostile in mind by wicked works yet He (Christ) has now reconciled you in His fleshly body through death (Cross) in order to present you before Him (The Father) Holy and Blameless and beyond reproach (by the act of Grace He has given us victory over the sin nature). **If indeed you continue** (here comes the condition to that promise) **in the faith**, (meaning you can choose to turn away after being reconciled) firmly established and steadfast, and **not moved away** (again your choosing) from the Hope of the Gospel that you have heard.”

You see the first century Church knew of the real Power of the Grace of God given by the Blood of the Lamb (Christ). The Modern Church however **2Tim.3:5** – “Having a form of Godliness, but **denying the power** thereof” (the **Power of Grace** to give those in Christ the ability to overcome the sin nature and cease from sin) We have one command given to us, when we confront this “Power of Grace” given to us to those in the Church who want to deny this Power - “from such **turn away**”. The Greek word used here is a very strong word; meaning – ‘have nothing to do with, avoid completely, turn away from’ That’s why at the beginning of **2Timothy Chapter 3**, the description of the “last days” (which is now) “perilous times” in part, is because of the complete corruption of the false doctrines within the Modern Church.

So to conclude this thought lets go back to **Gal.5:25** – “If we live in the Spirit (the evidence will point to an obedient, crucified life, in victory over the sin nature, not lip service), let us also **walk** in the Spirit.” The Greek word for walk here is different than the **Vs.16** where the word used is the normal word for walking, - as you are walking. In **Vs.25** however, it is a military term – which means to draw up in a line – get in line. *Are you in line, as far as His Commandments are concerned?*

Would you like to see the litmus test?

**2Tim.2:19,21** – “...and let **everyone** who names the name of Christ **depart** (cease, leave, withdraw from) iniquity (lawlessness). **If** a man therefore **purges himself** (you do it) from these (lawless deeds -looking unto the finished work of Power gained at the Cross instituted by the Holy Spirit) he will be a vessel unto honor, sanctified and useful to the Master, ready and prepared for every good work.” Is this you?

There is also another phenomenon going on in the physical natural, which is **another sign** of what’s going on in the Spiritual realm of things.

In areas where wild hogs have ‘**taken root**’, not only are they very destructive but in areas where rattlesnakes are prevalent, they’ve become immune to the venom and the hogs eat them ‘for lunch’. Sounds like a good thing, coming from a bad thing? **Wrong!** Why? Anytime these hogs heard a rattlesnake start to rattle, it was just a signal to them to run to the rattlesnake and eat the snake. So the rattlesnakes adapted to this by no longer rattling in order to warn before they strike. People now are being bitten because the snake doesn’t warn anymore before it strikes. He just sinks his fangs into the unsuspecting individual. That’s exactly where most of the Modern Church has found itself, and they won’t know it until it’s too late, and that last fatal bite takes place.

### **Wrong information = wrong beliefs = wrong decisions = wrong results**

We will see the head formation of Rev. 6 and experience it first hand just as we have been seeing the mature plant form, for years. Only it will be of greater intensity and frequency (like birth labor pains) up until and towards the end of this decade when a respite will occur, or even a calming down, and possibly a sense of prosperity and well-being. It will all be a false hope. When you see this manifest itself, you will know that the Lord is giving time and space to completely turn to Him, before the Shofar blows at the **Feast of Trumpets**, and those who are ready, along with all babies and **very, very** young children will meet Him in the air. If you are left behind, you will face the worst time mankind has ever seen, nor will ever see again, but **your day** for salvation is over.

**Turn now:** you’re only one heartbeat away from eternal judgment.

Farming is what **I do**, it’s not who **I am**.

**Mk 13:34** – “For the Son of Man is as a man taking a far journey(He has been gone 2000 years), who left His House, and gave authority to (1) His servants, (2) and to **everyman** his work, (3) and commanded to porter (gate warden or keeper) to watch.”

**#3 is who I am.** A watchman on the wall; one who blows a trumpet (Shofar) **to sound an alarm** of impending danger – a warning!

However, to the spiritually complacent, the sound is obnoxious, irritating, and inconvenient, it’s off-key, offensive, hurts the ears, upsets personal plans and goals, and **just wants the loud boring unimportant noise to stop!!**

**Warning the Bridge is OUT – Turn Around & Don’t Drown** - Are you going to keep going in the same direction, and refuse to turn around?

**1Cor. 5:6-8** – “Your boasting is not good- indeed it is most unseemly and entirely out of place. Do you not know that (just) a little leaven (sin) will ferment the whole lump? **Purge** (clean out) the old leaven that you may be fresh (new) dough, uncontaminated, for Christ our Passover (Lamb) has been sacrificed. Therefore (so) **let us keep the Feast** (of Passover), not with old leaven, nor with the leaven of malice and wickedness, but with the unleavened (bread) of pure and sincere (unadulterated) truth.”

**Luke 13:20-21** – “To what will I (Christ) compare the Kingdom of God? It is like leaven which a woman took (an adulterous woman – false doctrine) and hid in three measures, **until it was all** leavened.” The last days Church will be completely corrupt and full of leaven (sin) – “Turning the Grace of God into lasciviousness (unrestrained living)” **Jude 4** - A **license** to just **keep** sinning, in the “Name of Jesus”.

The Greek word for “Keep the Feast” also means to **‘observe a festival’**. It comes from the Greek word – **‘Feast or Holy day’**. Translation: We are to observe – Keep – the Feast of Passover, Unleavened Bread, & First Fruits, not the pagan celebration of Easter, instituted by the pagan ruler Constantine in 325 A.D., at the **Council of Nicea** and demanded the celebration of Passover be replaced by Easter or be excommunicated from the Church. That’s when the

Church Age of Pergamos was birthed, when the Church married the world. That's historical fact – look it up! God's **Holy calendar** is found in the first five books of the Bible, especially **Lev. 23**. Man's pagan calendar is hanging on your wall in your house.

Man's Day Festival – Easter/ Communion

**God's Holy Day Festival** – 8 day Feast of Passover, Unleavened Bread, First Fruits

Man's Day Festival – 4<sup>th</sup> of July

**God's Holy Day Festival** – Feast of Pentecost

Man's Day Festival – Halloween

**God's Holy Day Festival** – Feast of Trumpets

Man's Day Festival – Thanksgiving/ Christmas/ Family birthdays

**God's Holy Day Festival** – 8 day Feast of Tabernacles

Which of the above **do you esteem** of the **greater** importance and honor; spending more time, more energy, more money and more planning on? Don't tell me you love God and get all mushy when you sing Amazing Grace at Church, then do everything in your power, to get time off at work for your next vacation or family event and **totally ignore** "The Feasts of the Lord", or spend more of your time and money to have a 'great' birthday party for someone in your family, and ignore or just give Christ a tip on His. And I am not speaking of "Christmas" but Tabernacles. For those of you who swoon and have such a "warm" feeling towards "Christmas" and could care less about Tabernacles – that idol **will soon** come crashing down in the days ahead. – Be **assured** of that – Last year, 2013, again God was giving a "sign" to "My People" in America in the "California Rim Fire" where over 400 sq. miles of "Wilderness Pastures" were burned. Do you know what the **greatest casualty** was in that fire? (Fire is a symbol of purification) It was **Conifer Trees**. What are conifer trees? – An evergreen tree. And what kind of tree symbol is in most American homes every Dec. 25<sup>th</sup>? Do you think that tree has a Pagan origin? **Jer.10:1-4** – "Hear what the **Lord says**...do not learn the ways of the nations, or be terrified **by signs** in the sky, though the nations are terrified by them. For the customs of the peoples **are worthless**; they cut a tree out of the forest, and craftsmen shape it...they adorn it with silver and gold. They fasten it with nails, so it will not totter." Every year at this time you will hear people saying "Peace, good will toward men." It comes from **Lk.2:14** – "Glory to God in the Highest, and on earth peace, goodwill towards men." Sadly enough, the last section of this verse has been mistranslated from the original Greek text which completely changes its emphasis. It should read – "Peace (Shalom) on earth to whom God approves." The Peace (Shalom) of God coming to man is another conditional promise. Remember, the "Whole Lump" (Church) is leavened. It's not what you say, it's what you obey! If its **man's festivals** you love more; then the courts of Heaven pronounces (which is only one that matters) you guilty of idolatry, and since no idolater will enter into Heaven, **where does that leave you?** As Solomon? **Ps. 54:1-5** – "Answer me when I call to You, O my righteous God. Give me relief from my distress; be merciful to me and hear my prayer.

**How long**, O men, will you turn **My Glory** (Honor) into **shame** (a reproach)?

**How long** will **you love** what is **worthless** (vain) and **aim** at deception (lies)?

But know that the Lord has **set apart the Godly** for Himself; the Lord hears when I call to Him. In your anger do not sin; when you are on your beds, **search your hearts** and be silent. Offer right sacrifices (obedient love) and trust in the Lord."

**Mk 12:24,27-31** - "Jesus said to them, is this not **the reason** you are mistaken, that you **do not understand** the Scriptures, nor the power of God?...He is not the God of the dead, but of the living, therefore you do **greatly** err. And one of the scribes...asked Him, what commandment is the foremost of all? The foremost is, **Hear** O Israel the Lord our God is **One Lord** (there is not one God of the Jew and another for the Gentile), (and you shall **love the Lord** your God with **all your heart**, and with **all your soul**, and with **all your mind**, and with **all your strength**. The second is this; you will love your neighbor as yourself. There is no other commandment greater than these", we are commanded, loving our neighbor **comes 2<sup>nd</sup>** to our love for God, and **nothing** is ever to be esteemed greater.

**In which camp; is your all?** Headed to hell with the rest of the world and the leavened Modern Church, or one of the very few on Noah's ARK? According to **Isa.6:13**, there will only be 1/10<sup>th</sup> of 1/3<sup>rd</sup> of a righteous remnant. If you turn back a page to **Isa.5:13-14** – "Therefore **My People** (His covenant children) are gone into captivity, because they have no knowledge (willful ignorance by choice) therefore **Hell has enlarged** herself, and opened her mouth without measure; their glory, their multitude, their pomp, and he who rejoices, **will descend** into it." So one camp you will have **lots of company**, the other camp few...**very few**.

Easter & Communion Services – lots of company; **Passover** – **Unleavened Bread** – **First Fruits** the 'Festival of Freedom' – Few...very few 1/10<sup>th</sup> of 1/3<sup>rd</sup>.

July 4<sup>th</sup>, **Independence celebration** – lots of company; **Pentecost** – the believers independence from the sin nature; victory over sin given by the power of the Holy Spirit – few... very few 1/10<sup>th</sup> of 1/3<sup>rd</sup>.

Halloween – witches most holy day; Pagan garments (costumes) – lots of company; Trumpets – Garments of white (undefiled) – few...very few 1/10<sup>th</sup> of 1/3<sup>rd</sup>.

St. Valentines Day – love fest & lots of good food, eating out – lots of company; Atonement – denying of self, day of fasting, taking up our cross and following (loving) Him – few...very few 1/10<sup>th</sup> of 1/3<sup>rd</sup>.

Thanksgiving/ Christmas/ Family Birthdays – lots of company; Tabernacles – “Season of Joy”, and thanksgiving for current and future provision and for His Kingdom coming and the true season of the birth of Christ- few...very few 1/10<sup>th</sup> of 1/3<sup>rd</sup>.

Retailers (the world) top three money making seasons are; 1) Christmas, 2) Halloween, 3) Valentine’s Day, and the last time I looked nothing was said that it would be a convenient thing to obey His Commands. The True Gospel is a complete dying of our ways to follow His ways. We are a “peculiar people”, set apart. That can only be accomplished, by the “Blood of the Lamb” – Jesus Christ; empowered by His Holy Spirit, there is no other way – to obey!

You see the 2<sup>nd</sup> greatest commandment is, “loving your neighbor as yourself”. So this love that I am extending to you through these papers is taking a risk that you won’t ever speak to me again, because you got offended over what you read, or label me as a complete loon. God Himself closed the door of the ARK. Any door that He closes no man will open. See Mt. 25 and the parable of the 10 virgins, this parable totally refutes the false doctrine of “once saved always saved”, and that has done more damage to the Modern Church than any other thing.

### **Turn Around – Don’t Drown – Warning the Bridge is OUT !**

Let’s take a look at a scenario for Knoxville, Nashville or any large concentrated population of people. If numerous electrical Substations, of a swiftly coordinated strike, took place in these cities- not one but many- there would be no rerouting of power to get around it while repairs were being made. So what would happen to you and the rest of the city being without electricity for 30-60 days? Other states couldn’t come to your rescue, because this happened nationwide at one time – a single blow! Would your employment continue? Could you get to your money? Can’t use credit cards – no electricity, or Banks have shut down for security reasons. Perishable foods are ruined everywhere across the U.S. from the retailer to the packing houses. It’s a massive, lightening quick, swift blow.

*Unthinkable, -that such a thing could happen in the U.S.!*

The Civil War- was unthinkable that such a thing could happen.

Pearl Harbor- was unthinkable that such a thing could happen.

9/11 –was unthinkable that such a thing could happen.

You may or may not remember the following months after 9/11. It was uncovered that those who flew the planes into the Towers, Pentagon, and field, had been for months flying small planes, getting their pilots licenses, and taking airline flights to understand protocol etc. All of their activities went basically under the radar screen, so to speak. ***It went unnoticed.***

On 9/11, the enemy had to invest very little. They just used America’s own “god of prosperity” as a weapon against us. Recently there was some 411 that came to my attention, and I don’t believe in any way the timing of such information is coincidence; God has Watchmen on the wall and they see things others miss, so that God’s Mercy can be extended to mankind, before a judgment of correction occurs. The main “Spiritual Leader” of Iran spoke in 2013 making the statement that ‘***we will cause America to be destroyed from within***’. 9/11, with the Twin Towers collapsing, and 2008, with the economy collapsing, both were an ‘implosion’. (A violent inward collapse of a structure resulting from the external pressure being greater than the internal pressure) Ground Zero for 9/11 was New York City, but the effects of 9/11 sent shock waves around the globe.

Iran’s Spiritual Leader’s statement, as well as what I am going to tell you, is making no news.

On April 16, 2013 Silicon Valley, in San Jose, Calif. an attack that lasted only one minute was made at an electric sub-station in which 17 of 23 transformers were shot out. 100 shell casings with no finger prints, is all that was found at the scene. It was passed off, by officials, as prank teenagers having too much to drink. So then, these intoxicated teenagers with lightening quick, precision shooting, knowing exactly where to hit the transformers, were in and out in one minute. Seriously? Power was rerouted around that sub-station so it didn’t affect much. However it took 27 days to restore power to that sub-station. Why? The U.S. doesn’t have a stock pile of transformers. They are very expensive and require a lot of time to produce. Are America’s enemies once again having “trial runs”? Just like the days leading up to 9/11, they now know power can be rerouted around a sub-station that is put out of commission. So, hit

multiple sub-stations in an area at the same time – then **NO rerouting of power** would be possible. What if 10-20-30-40-50 sub-stations were hit at the same time, all in one minute, multiplied by thousands nationwide all being done with **relatively inexpensive** bullets that can be bought anywhere, any time. – and when the real deal happens they will stay until all the transformers are taken out, they won't care if they are killed in the process. – Are you getting the picture here? **UNTHINKABLE? Seriously?**

America's electric grid is its Achilles' heel, so to speak.

If it took 27 days to repair 17 out of 23 transformers at one sub-station, what “from within” effect on the U.S. economy would 17,000 out of 23,000 transformers taken out in one minute have, taking 1-2 months to restore, or longer? Also just prior to this attack by these “**drunken teenagers**” the phone lines to the sub-station were cut, and these “**drunken teenagers**” left no finger prints – anywhere! They were just out for a “spontaneous –good ole time” – Again; Believe that to your own peril! The bottom line is this; God Himself can send lightning strikes to hit these transformers in order to take them out. He and He alone controls the heavens, and disrupts any of man's plans

I implore you **now**, to **turn fully** unto the Lord, doing away with **Cafeteria Christianity** once and for all and prepare your house (temple), **this is** going to happen! At what magnitude and ultimately what God allows to take place is **His call**. And I do mean **His Call**, a call to return to Him – fully, completely – or be destroyed. The Bible says by the mouth of two or three witnesses, let every word be confirmed; so do I have a second witness?

**Yes!** Exactly **7 days** after the 411 about the Silicon Valley incident was brought to my attention I received in the mail a **bulletin newsletter** from VEC (our power supply company) and I quote “Over the past 10 years VEC has spent more than \$30 million building **new Sub-Stations**, and making major renovations to other **Sub-Stations**...to increase our systems capacity and to improve **reliability**. VEC's distribution system includes **33 Sub-stations** – **9,000 miles** of line, and covers approximately **2,850 square miles** in **17 counties**”. So in taking out **only** 33 Sub-Stations, which is **only** 33 different locations, - how many people do you think are effected in just those 17 counties, by just one Power Supplier? Understand this – When God is bringing an enemy of a person, a people, or a nation against it for correction – **MAN CAN NOT STOP IT!** No amount of Military, no amount of Financial Power, no amount of common Labor, no amount of anything, is going to turn it away. Do I have a third witness? Yes!

In Jan. when all my family was here, one of the many things I talked with them about was; “what would happen to the electric grid if the Sub-Stations at Watts Bar Dam were taken out.” So the subject matter that dominated the conversation was about “**Sub-Stations** being taken out”. Three weeks later in Feb. the 2<sup>nd</sup> witness, 1 week later the 3<sup>rd</sup> witness. All had to do with electrical Sub-Stations. However, there was an additional 4<sup>th</sup> witness. Approximately a week later Fox News ran a story concerning America's electric grid being vulnerable!! “**With only nine major substations taken out, America would be in the dark!!**” Nine? Seriously! Again if God is against you, who is going to be for you?

“By the mouth of two or three witnesses, let every word be confirmed.” **Especially** confirmed by the Word of God, and according to that Word, God has always **raised up** a peoples enemies against them in order to correct or chastise. Believe what you will, but remember, **believing wrong** will ultimately lead to **wrong results**.

Do you remember the Charleston, W. Virginia, incident in January, where a chemical spilled into the river where they get their water from? **Instantly, without warning** 300,000 people had no water for 5 days, the stores ran out, the shelves were empty! (Let me stop here to say something about the crazy show “Doomsday Preppers” - *Satan will always create an extreme image of a truth in order to deceive most people into not doing anything*, because if they do what's necessary to prepare, then people associate them with crazy “doomsday preppers”). Joseph in the Book of Genesis wasn't crazy! **He Prepared!**

FEMA stepped in after five days and began to deliver trucks of water and once again America looked to Pharaoh instead of Jehovah God to help them. The American Gov't has become an idol of provision to most in America. Just like the idol of military protection, and the financial idol of silver and gold; the Word of God promises, He (God) **will cut down** those idols when everything is said and done.

**Amos 4:7** – Makes it **very plain** that a nation who turns from God, their water supply will be struck, “People staggered from town to town for water but did not get enough to drink, **yet you have not returned to Me.**”

What would you do if your water supply was instantly cut off, not for 5 days, but 5 weeks or longer? Here you are with no water to cook with, drink, or shower with and the American Gov't can't help you, because it was overloaded with many disasters everywhere. **Unthinkable? Seriously?** Believe that to your on peril and destruction.

Look up [www.Seychelle.com](http://www.Seychelle.com) This company is a God sent (Joseph) “for such a time as this”. Their 2 basic water filters are;

#### **Regular Filters**

Removes or reduces up to 99.99% of the following contaminants found in drinking water:

- Aesthetic – Offensive tastes, odors, chlorine, silt, sand, and sediment
- Chemical – Industrial and Agricultural Contaminants such as PCB's, THM's, Detergents, Pesticides, Herbicides, Fungicides, Insecticides (DDT) Pharmaceuticals, etc.

- Dissolved Solids – Heavy metals, such as Aluminum, Arsenic, Asbestos, Cadmium, Chromium6, Copper, Lead, Mercury, Fluoride, etc.

### **Radiological (RAD) Filters**

Tested to remove 99.99% of the following Radiological Contaminants: (Test date 4-22-2011)

- Gross Beta. Radium 226, Uranium, Cesium 137, Radioactive Iodine 131, Strontium, Plutonium, Radon 222

Additionally, RAD filter also removes the same contaminants as the regular filter.

There are no other filters like these on the plant.

The provision of God for His children never ceases to amaze me. For those who “have ears to hear”. “Bottled water” is a **deceptive ruse** because of the cheap grade of plastic it is put into, Chemicals from the plastic leach into the water. We drink no water at home of **any kind** unless it is filtered through a Seychelle filter. The filters you buy in the store are a deceptive ruse as well. You see any family out of that 300,000 in W. Va. That had a Seychelle filter could have continued to drink the water out of the tap, – no problem.

God was sending a “sign” to America last month from W.Va. Five (5 days) is the biblical number for Grace. He was sending a warning out for all to see, that “His Grace (**Power & Revelation**) is sufficient”, for what’s coming. – **His True Grace** – Not the slop served every Sunday in Church,

If you have the **courage to do so**, take yourself and or family, thru a test run. Shut off all water & electricity in your house, and see how many days you can deal with just what is currently in your house. You can’t go buy any water – it’s not available. I can’t think of a more powerful object lesson than that, to shake you from your lethargic stupor.

When I was in elementary school 55 years ago, 1 day every year the school had an “emergency attack day drill”, where school was let out sometime during the day and you had to get home on your own, because of a foreign powers attack on America. Yes, believe it or not, **6 year olds** could find their way home by themselves, even if their house was several miles away. Mine was 3 ½ miles, parents were always notified of “the day” and I always rode my bike to school that day so I didn’t have to walk home, I remember it well. America has become a nation of spoiled brats – regardless of age – young and old alike.

Again, take the challenge, only no ‘stocking up’ before you do. You need a realistic look at where you are right now. Remember you can’t flush the toilet because there is no water. Do yourself a run not only in cold weather, but hot, you will be amazed at how vulnerable you are and or spoiled. This will reveal to the individual family – ‘what they need to do’ – Summer or Winter, - Hot or Cold, especially for those who have always been in the ‘City’. To ‘Country folk’, its second nature to them, they experience a lot of things others do not experience. If you remember “Katrina” – Human waste was a very big issue in the Dome, and it will be for you too if you can’t flush your toilet for 2 months, or even 2 weeks.

On Sept 11, 2001; a merciful God gave an entire nation a “sign” within a “sign”. If you remember, and I realize that some reading this were very young at the time. You may remember 9/11 but not with great details. There were 4 planes involved, one struck an open field, -“common folk”, a second one struck the Pentagon – the building of America’s “Military Might”, and the third and fourth struck the Twin Towers – the buildings of America’s prideful “Financial Power”

So is there anything in Scripture that would describe a people under a Judgment Curse by God striking the pride of the common man, the pride of the military strength and the pride of the financial lofty? **YES!**

**Isa. 5:15** – “And the “common man” **will be** (not maybe) brought down, (#1 plane in field), and the “mighty man” (Military strength) **will be** humbled -or brought down (#2 plane – Pentagon), and the eyes of the “lofty” (Financial strength) **will be** humbled – or brought down (#3 two planes -Twin Towers).

Israel’s darkest days are recorded in the Book of Judges. – just like today is America’s darkest days, we will find this same group of people who should have been proclaiming the Righteous Acts of God, instead they looked unto their idols.

**Judges 5:7-11** – “The pleasant village life ceased. . .New gods where chosen; then war came to the cities and not a shield or spear was seen (military power became impotent). . .you who ride on white donkeys (rulers –leaders), you who sit on carpets (wealthy), and you who walk along the road (common man), there they will recount the righteous deeds of the Lord. . .” (after Judgment has fallen)

**1Cor.10:11/ Rom.15:3** – “For whatever was written in earlier times (Genesis – Malachi) was written for our instruction. . .as examples, and for our admonition (teaching and warning).”

There was also **another sign** that emerged when the dust cleared from the Twin Towers. There was a section of broken steel beams standing perfectly erect on the top of the pile of rubble in the perfect shape of a Cross, **care to try and explain that away?** Rev. Jerry Falwell at the time of 9/11 made the statement publicly in which the news media picked it up and said, “America is under judgment because of its Godless ways.” I remember thanking God for someone to have the guts to speak the truth, because all other “Preachers” were calling it an “Act of Satan”. Rev. Falwell came

under **extreme fire** for making such a statement and sadly a few days later he recanted his statement as being wrong. Even sadder was he died a short while after doing that.

**“He who has ears to hear let him hear.” ARE YOU READY?**

Power outages to date have, for the most part, been just ‘minor inconveniences’ to most people. However 20 years ago during the ‘Blizzard of ’93’, we were without power for **only 7 days** but, the beginning to the end of those 7 days, resulted in the complete loss & collapse of 2 greenhouses. The complete loss of 40,000 plus, field transplants, and not a ‘complete loss, but 98% loss’ of 3 freezers and 2 refrigerators full of food. Our four children, ages 15,13,5 & 3 at the time, thought it was ‘neat’ to have no power, cooking on a wood stove, lights by candle, and all that snow. Well, after about 3 days the ‘neatness’ wore off and it began to be a ‘living hell’ on earth. There are advantages and disadvantages of ‘living in the country’ during major disasters. Being out where fewer people live means **you’re the last** to get power restored. It’s a matter of numbers. However living in the city of a more sizable populated area makes them more vulnerable to an attack from outside. “More bang for the Buck” you might say.

This attack on America’s electrical grid is only the precursor to a complete shut down during the Tribulation period induced by Iran, with an EMP device exploded over the U.S. borders, shutting down everything electrical within a 2,000 mile radius of the blast for months. How do I know this? Because God always warns ahead of time, remember I am a “Watchman on the Wall”. **In Feb. of this year** Iran, sent warships to the borders off the coast of the U.S. in the international waters, understand that U.S. waters **only extends 12 miles** off its coasts. It would only take a matter of seconds for a missile carrying an EMP device to reach our shores and explode from that distance. Iran knows the U.S. would immediately blow those ships out of the water when that occurs, however it would be too late to stop the exploding EMP. On another note, about these warships from Iran, they are their “old scrub- bucket” warships; they are not their new expensive, elite warships. Why? Because of what was just said. They know those ships are going to get blown to bits after they fire those missiles, so better to get the ‘old scrub-buckets’ blown up and not the better ones. Well those on board the ships would be committing suicide, you might say. **And your point is?** Have you had your head down in a hole for the last number of years? “Allah has told them they have 70 virgins waiting on them, in paradise, on the other side of death”. Also a couple of years ago Peter King – Chairman of Homeland Security, cited in an intelligence report; that no one then or now seem to care anything about, Has God blinded the eyes? The report among other things, that there were “**thousands of Iranians** in South America awaiting orders to infiltrate America”. - **Thousands?** – More than enough to shut down all of **America’s** major cities water & electricity.

This is how I know as a “Watchman on the Wall” that time according to Bible prophecy is screaming by at hypersonic speed. Let me say again. If you **are not** ‘walking in faith’ right smack dab in the middle of the center of the Will of God for your life, in absolute obedience to the Word of God, **no amount**, I repeat, **no amount** of preparation will secure you.

**Numbers 17:46-48** – “And Moses said to Aaron, take your censer and put in it fire from **the altar** (symbolic of the Cross) and lay incense on it then bring it **quickly** to the congregation and make an atonement for them, for wrath has **gone forth from the Lord**, the plague has begun. Then Aaron...ran into the midst of the assembly for behold the plague had begun among the people...and **he took his stand** between the dead and the living, so that the plague was checked.”

How important is it for you believers out there to be **absolutely clean** before God? Very! You might be the only thing to stand in-between the Judgment and your neighbors life in the days ahead. Understand “**Marshall Law**” could be declared in this country and you may have to stay in your house for weeks. **Repent Now! Prepare – Now!** Don’t forget to include some extra Bibles & even these documents which is 95% the Word of God in your “**stored up items**” for those days ahead. Some won’t ever listen or ‘hear’; but if they are apart of the 1/10<sup>th</sup> of the 1/3<sup>rd</sup> remnant, they will.

**Joel 1:2-4** – “**Hear this** you old men, and **give ear** all you inhabitants of the land. Has this been in your days or even in the days of your fathers? Tell **your children of it**, and let **your children tell their children**, and their children **another generation**. That which the (1) **palmerworm** has left has the (2) **locust** eaten; and that which the locust has left has the (3) **cankerworm** eaten: and that which the cankerworm has left has the (4) **caterpillar** eaten. (A four-fold guarantee – your not secure in your own efforts). For a nation is come up upon the land, strong, and without number, whose teeth are the teeth of a lion, and he has the cheek teeth of a great lion.”

In the statement “whose teeth are the teeth of a lion”, we see once again from the ancient land of the Babylonians, (in **Dan.7:4**, they are symbolized by a lion). The part, “he has the cheek teeth of a **great** lion”, with the use of a personal pronoun he – speaks of the coming Anti-Christ during the 7year Tribulation period. So unless you’re **left behind at the Rapture** you won’t see the “cheek teeth of a great Lion”.

I know this is not pleasant reading. But we are in **'perilous times'** and for me to tell this in any other way would be in essence, the "putting on of **un-tempered mortar**", as stated in **Ezk. 13:1-16**, which is false doctrine, lies, and crying out **Peace** (Shalom), when there is no **Peace** (Shalom).

**Isa.57:21** - "There is no Peace (Shalom) says my God to the wicked (the guilty – those who transgress the Laws of God). It's the **wickedness** of God's people **2Chor.7:14** – "**If My people** who are called by **My Name**... will turn from their **wicked** ways..." – **Wicked** here means "**that which is disagreeable to God**". The only place you can find that 411 is in His Moral Laws that still stand today.

**Isa. 30:7-18** – "For the Egyptians (Americans) will help in vain, and to no purpose, therefore have I cried concerning this, their strength is to sit still (they're impotent). Now go, **write it before them** and note it in a book that it may be **for the time to come** forever and ever (for us that time is now). That this is a rebellious people, lying children who will **not hear the Law** of the Lord (false grace message being preached today). They say to the seers (preachers) see not; and to the Prophets, prophesy not unto us **right things**, but speak unto us **smooth things** (tickle my ear), prophecy deceits, get you out of the way, turn aside out of the path, cause the Holy One of Israel to cease from before us (we want a different image of God). Wherefore then says the **Holy** One of Israel, because you **despised** (rejected) the (true) Word and stay (on the false) this iniquity will be to you as a **breach ready to fall** (protective hedge removed) swelling out in a high wall, whose breaking **comes suddenly in an instant**... In **returning** (to truth) and rest (obeying the truth), you will be saved, in calm and confidence will be your strength, (However) **you would not**. But you said, No; (*Is this you?*) for we will flee upon horses; therefore you will flee (when the enemy shows up); and we will ride **upon the swift**; therefore they who pursue you will **be swift**... So will the Lord wait, that He may be gracious to you and therefore will He be exalted, that He may have mercy on you; **for the Lord is a God of Judgment**; blessed are all who **wait for Him**." What this is plainly saying; is that if you put your confidence in America's mighty swift responding government and or military by 'resting in that' instead of 'Jehovah Shalom'; in judgment you will go down with them.

A breach in a wall is not the total destruction of that wall, its only a breach. America will be completely destroyed during the Tribulation period. For now, however, the next breach that's coming will be second only to the seven year Tribulation time, when the wall will be completely torn down. You see, when America's strength and power are taken "out of the way", it paves the path for the one world leader (the Anti-Christ) to show up on the scene. Just as the Bible proclaimed! **Are you READY?**

This may be hard for most to comprehend and understand. That's why I make myself available on any given Sunday to discuss "That which is to come".

The big question is, **are you ready** to face the days ahead? If not... **lets talk further**, in order that you might be ready **and avoid** your **whole house** being broken up and destroyed.

The Bible gives 2 accounts of Christ **marveling** over something. What were they? One is found in **Mt.8:10** – "When Jesus heard it, He **marveled** (was astonished), and said to them that followed. Verily I say to you, I have not found so great faith, no not in all of Israel." Christ was referring to the faith of a Gentile Roman Centurion. Who believed and did what He (Christ) said, he had an insight to the true faith more than any in Israel. Christ went on to say "that many (Gentiles) will come from the east and the west and will sit down with Abraham, Isaac and Jacob in the Kingdom of Heaven; but the children of the Kingdom (Israel) will be cast out into outer darkness; there will be weeping and gnashing of teeth." **Translation** – those who should have received His Words – didn't; and those who shouldn't have received His Words – did. Sadly, the majority of the Modern Church, that should receive the warning in this document - won't.

In **Mark 6:4-6** – "But Jesus said to them, a prophet is not without honor, **except in his own country**, and **among his own kin**, and **in his own house**. And He could do no mighty works there.", "...and He **marveled because** of their unbelief, and He went about the villages teaching." This is speaking of Christ's home town Nazareth. He **left there** because of their unbelief and **never** returned again.

In the first story Christ **marveled** at the faith (*belief*) of one who shouldn't have had it. In the second story He **marvels** at the unbelief of those who should have had the faith and didn't. I've seen this scenario played out over and over again in those who have come into my home, sit, listen, comprehend, and leave, not showing any change at all in the days following, that they had **left behind their Cafeteria Christianity** to follow the Lord's Commandments fully. I **marvel** (I'm astonished) at their unbelief. Those who should; won't – Some of you are realizing this right now. But you have "**No FEAR of God**" – nor His "**True Grace**", so therefore you can't obey Him because **Acts 5:32** – "the Holy Spirit is given to those **who obey** Him."

**1Peter 5:5** – "...God resists the proud but gives **GRACE** to the **humble**"

**Heb. 5:9** – And being made perfect, He (Christ) became the author of **Eternal Salvation** to all those **who obey Him**." – Not cafeteria obedience.

**Heb.12:28-29** – "...let us have **Grace**, whereby we may **serve (obey)** God **acceptably (not cafeteria style)** with **reverence** and **Godly fear**, for our God is a **consuming fire**." Reverence and Godly Fear are two totally **different** elements, they are not the same. No Fear, No Reverence, – No Reverence, No Humility, – No Humility, No Grace, – No Grace, No Obedience, – No Obedience, No Holy Spirit, – No Holy Spirit, No Heaven, - No Heaven , only a consuming fire (Hell).

**1John 3:7** – "Little children, **let no man** deceive you (including yourself), he **who does** righteousness is righteous."

The worst of times is indeed yet to come for America and the world. **Call Donna and I today**, don't put it off. The ball is now in your court. We **will soon leave** our home on the mountain, leaving this area and will never return, in order to "make a highway for our God" throughout the U.S. in the time remaining. Out of all of Noah's family and his wife's family, only eight got on the Ark. They wouldn't listen to Noah's message.

**Will you? The Bottom Line is this.....**

**Amos 3:6** - "When a trumpet sounds in a city (to warn), do not the people tremble? When disaster comes to a city, has not the Lord caused it?"

**Amos 4:7** - "I also withheld rain from you when the harvest was still 3 months away I sent rain on one town but withheld it from another. One field had rain another had none and dried up. People staggered from town to town for water, but did not get enough to drink, **yet you have not returned to Me.**"

**Ps. 148:8** - "Fire and hail, snow and frost (ice), stormy wind fulfilling His Word"

**Ps. 9:16** - "The Lord is known by the judgment which He executes."

**(Deut. 28, Lev. 26)** Be it the blessing or the curse.

- 1) **Lev. 26:17** – "I will set My Face against you, so that you will be struck down before your enemies" – Vietnam War – A war that actually began in 1954 – ended Aug. 15, 1973, (the same year abortion became the "Law of the Land" by the Supreme Court). 58,000 + died in that war and God only knows the maimed and wounded and those dying of cancer & blood disease years later from 'Agent Orange'. Not to mention Afghanistan and Iraq.
- 2) **Lev.26:18-19** – "And if in spite of all this you still will not listen and be obedient to Me, then I will chasten and discipline you **sevenfold** more for your sins. I will break down the pride of power, and your strength will be spent uselessly." The U.S. is becoming an **impotent power**, right before your eyes.
- 3) **Lev. 26:21-22** – "If then you walk contrary to Me and will not heed Me, I will bring **sevenfold** more plagues on you according to your sins." U.S. **leads the world** in heart disease & cancer victims

The 3 above increases began in 1973 and the 4<sup>th</sup> is upon us

- 4) **Lev. 26:24-26** – "If in spite of these things you do not accept My correction but continue to be **contrary** toward Me I Myself will be **contrary** toward you and will afflict you for your sins **seven times** over. And I will bring a sword upon you to avenge the breaking of the covenant (His Word – Bible). When you withdraw into your cities (trying to escape the sword) I will send a pestilence among you and you will be given into enemy hands. I will cut off your supply of bread (food shortage) and it will be doled out in rationed amounts."

**Ecc.12:1,13-14** – "Remember (earnestly) your Creator (that you are not your own, but His property) in the days of your youth, **before the evil days come**... Let us hear the conclusion of the matter; **Fear God**, and **KEEP** His Commandments; **for this** is the **whole** duty of man. For God **will** bring every work into Judgment, **everything** which is hidden, whether it is good or evil."

**Matt. 10:25-28** – "It is enough for the disciple that he be as his Master, and the servant as his Lord. If they have called the Master of the House Beelzebub (of the devil), how much more will they call them of His household? **Fear them not** (fear never guides the message) for there is nothing covered that will not be revealed, and hidden that it will not be known. What I tell you in darkness (in private prayer) **that speak in the light** (openly) and what you hear in the ear (by revelation of the Spirit) **preach** (speak) you on the **house tops** (publicly). And **fear not** those which kill the body, but are not able to kill the soul, but rather fear Him (God) which is able to destroy both soul and body in hell."

**1 Cor. 3:18-21** – “Let no man **deceive himself**, if anyone of you thinks he is wise by the standards of this age, he should become a fool so that he may become wise. For the **wisdom of this world** is foolishness in God’s sight. As it is written, He catches the wise in their craftiness and again, the Lord knows that the **reasoning’s of the wise**, that they are useless. So then let no one boast in men.”

**1 Cor.4:1-5** – “So then let us **(me) be looked upon** as a ministering servant of Christ (a steward and trustee) of the **mysteries of God**. Moreover it is required of stewards that a man should be found faithful – proving himself worthy of the trust. But (as for me personally) **it matters very little to me** that I should be examined by you, or by **any human court**. . .I am not **conscience of anything** against myself, yet I am not by this acquitted, but **the One who examines me** is the Lord. So do not make any hasty or premature judgments (about me and the message) before the time when the Lord comes (again), for He will both bring to light the things hidden in the darkness and disclose the motives of men’s hearts.”

For the skeptics who read this and disregard its Truth, I leave you these Words and it will also be **my prayer** for you as well. **John 14:29** - “And now I have told you before it comes to pass, that, when it comes to pass, you might believe.”

Until He Comes
