

NOV. 2005 The Clouds

In one of the days preceding the Nov 27th, 2005 Word from the Lord, (different sheet) I was walking around this near empty campground at a very familiar spot near the amphitheater. The Spirit of the Lord spoke to me and said to go up to the amphitheater I have something to tell you. I began to make my way towards the “already paved” path that leads up the hill to the amphitheater. This path was clearly marked, had nice little covered lights all the way up, it was wide enough for many to travel at the same time. There was nothing on it that would cause you to trip and fall. It was easy to see where to put your next step. The Holy Spirit then said to me...stop, do not go that way; I want you to climb that hill to your right, that leads to the amphitheater from a different direction. I answered (or whined), but Lord that’s a very steep and difficult way; full of loose dirt, rocks, roots, and slippery moss. The other way is much easier. You are not called to an easy path, or “wide road,” but an obedient one. Now, you choose. I can not say at that time I was 100% willing to obey, but none the less I obeyed and began climbing. It was hard, slipping at times on the loose rocks and dirt, grabbing onto different things as I climbed. When I reached the top I noticed it had led to the platform where the speakers stood when doing the programs and the paved path led to the back entrance. Immediately the Spirit of the Lord said to me.... “They who exalt themselves shall be humbled, and they who humble themselves shall be exalted”. Then He said to me....Go up to the last row of bench seats and **wait**. I obeyed; and **waited** and **waited** and **waited**. I began to grow somewhat impatient, but I persevered and continued to **wait**. Then the Spirit of the Lord began to speak.....THIS IS HOW THE DAYS AHEAD WILL BE. I WILL SPEAK AND THEN REMOVE THE CONSCIOUS PRESENCE OF MY SELF TO SEE IF YOU WILL OBEY ME. Now...look up....What do you see? There was a **lower deck** of clouds that was **racing** across the sky in one direction. Then the Spirit of the Lord said....look a little higher....What do you see? There was **another deck** of clouds **racing** across the sky in a different direction than the other. Then the Spirit of the Lord said to me....Look even higher....What do you see? There was a **third layer of clouds barely visible** that were traveling in even another direction. The Holy Spirit then said.....CHANGE IS COMING. IT’S COMING IN ALL DIRECTIONS OF **YOUR LIFE, THE WORLD, AND MY CHURCH**. THIS CHANGE WILL BE MOVING QUICKLY FOR THE TIME IS SHORT AND AT HAND. (Understand that with God quickly can be immediate or years.) “Behold I stand at the door and knock, if any man hears (obeys) My voice and opens the door (takes action with his faith) I will come in to him and will sup with him and he with Me.” He was silent as quickly as He began to speak. I continued to sit there, for a time that I do not know, meditating on what had just happened. Not knowing what was about to take place on the next Lord’s day.
